

Free installation of photovoltaic panels leads to lawsuit

How do I file a lawsuit against a solar energy company?

This can include documents such as your solar energy contract, photographs of any damage, correspondence with the solar company, and any other relevant information. While you may be able to handle a small claim on your own, it's generally advisable to hire a lawyer who specializes in solar energy litigation.

Are "free" solar panels a scam?

However, it's important to note that "free" solar panels are not always a scam, but they do require careful consideration. These "free" solar panels are typically offered through solar panel leases or power purchase agreements (PPAs), which allow individuals to install solar panels without the high expense.

Are solar panels a scam?

The Energy Department and the Solar Energy Technologies Office have warned consumers about this type of online scam involving solar panels. We rate this claim False. Support independent fact-checking. Become a member!

Do you own solar panels with a "no cost solar" agreement?

You will not own the solar panels with one of these "no cost solar" agreements. In other words, solar leases are essentially like renting solar panels. The solar company handles all of the installation and maintenance for a specified term, which is usually around 20 to 25 years.

Can you buy solar panels outright after a lease term?

At the end of the lease term, you may have the opportunity to buy the solar panels outright; otherwise, the solar company will remove them. "Free" solar panels will save you money because energy from solar power is usually less expensive than energy from the electrical grid.

Why do people sue residential solar companies?

People sue residential solar companies over many things, like issues with their contracts, problems with installation, false advertising, or unfair business practices. The Campaign for Accountability (CFA) and the Consumers Union have raised concerns about residential solar companies with the Federal Trade Commission.
