

How can a bay window be decorated as a storage cabinet

How do you save space on a bay window?

If space-saving is high on your agenda, consider a window seat for your bay window. Save even more square footage and stow away your stuff by adding clever hidden storage into a bay window bench - ideal for books, shoes, bags and more. Use built-in drawers for deeper bay windows, or try a storage ottoman that slots in the space with ease.

How do you decorate a bay window?

Create the illusion of more space by lining the other three walls with mirrors, and the light streaming in will bounce from every corner. Consider your bay window an opportunity for creative decor. Dress them with coverings like blinds or drapes, or rethink the space as a dining or nap nook.

What can you do with a bay window seat?

Window storage with bench seating This kind of bench seating area definitely adds charm to your home. The simple concept of a cozy and scenic bay window seat can be that of a place to sit and store stuff under the seats. You may also build shelves with cabinets to display decorative items or books.

Can you add storage cabinets around a window?

Adding storage cabinets around a window lets you create a cozy and relaxing reading nook. This works great if you have a nice view of the outdoors, and have your books within easy reach. You can add more cabinetry under the window to create a bay window seat. You can even build all the way to the ceiling for extra storage.

What are the benefits of a bay window?

The seat can include under-cushion drawers for book or gadget storage. In the case of a workspace, a bay window can offer a well-lit area that promotes focus. A desk that follows the contour of the bay can be installed, making intelligent use of the area and providing a panoramic view to inspire one's workday.
