

How is Jingao photovoltaic panel

Who is Jingao solar?

Almost 20 years ago, JingAo came on to the scene in China. Outside China, the current brand of JA Solar (and indeed JA Solar as a module producer) was not present. However, the company was highly regarded as one of the first real movers in the Chinese solar manufacturing sector to specialise in cell manufacturing.

Are Jinko Solar panels ethical?

Jinko is not only a best-selling solar brand with the panels most trusted by utilities, but we're also ensuring that our processes are as clean as our product's output. So, while we create state of the art EAGLE ® solar panels and energy storage solutions to power future decades, we're doing it in an ethical, cleaner way. You have choices.
