

How long can the TV cabinet platform store things

How to store a TV long-term?

If you're looking for long-term storage solution and want to keep your television in good condition, a climate-controlled storage unit is the better option. Storing with Shield Storage guarantees you a safe and secured storage unit. Reserve a storage unit today with Shield Storage. There are several things to consider when storing a TV long-term.

Should you store your TV in a climate-controlled storage unit?

Store your item in a climate-controlled storage unit if you want it to be safe from bad weather patterns. Exposing your screen to adverse temperature variations can shorten its lifespan. The last thing you want is to incur unnecessary expenses for repairing your TV, which can be the same as purchasing a new one.

Is it safe to store a TV in a storage unit?

Yes, it is safe to store a TV in a storage unit as long as it is properly protected and secured. Make sure to wrap the TV in a soft cloth or blanket to prevent scratches and damage during transportation and storage. Q What is the best way to prepare a TV for storage?

Should you store a flat screen TV in a self storage unit?

When storing a flat screen TV, climate control is the number one self storage feature you shouldn't skip. Always store the TV upright, both during transportation and inside the storage unit.

How to choose a TV storage facility?

Look for a storage facility that offers climate-controlled units. These units maintain a consistent temperature and humidity level, protecting your TV from potential damage caused by temperature fluctuations, moisture, or mold growth. Ensuring the security of your stored TV is crucial for peace of mind.

What temperature should a TV be stored?

Storing your television in a climate-controlled self storage unit will prolong the functionality of your TV despite being stored for a long time. The recommended storage temperature for televisions is between -4 to 140 degrees Fahrenheit (F) and 20-90% Relative Humidity (RH). How Long Can you Store a TV?
