

How to add WeChat to China Power Grid

What is WeChat & how does it work in China?

WeChat has developed into an all-in-one app that people in China can use to call a taxi, order train and flight tickets, order takeout meals, do online shopping, purchase cinema tickets, book a hotel, rent public bicycles, pay household bills, and even trade second-hand goods.

How many users does WeChat have in China?

WeChat is the only app in China to have over one billion active users and is one of only five apps in the world which have surpassed that milestone. WeChat Pay, which was built using the framework of Tenpay, has over 900 million users and has supplanted Alipay as the most popular payment service in the country.

How do I pay electricity using Alipay & WeChat wallet?

To pay electricity, link your utilities account to the payment platform, then specify the amount of money you want to recharge. To complete the transaction, enter your six-digit Alipay or WeChat Wallet payment PIN.

Do Chinese WeChat subscribers need to take their wallets?

Chinese WeChat subscribers do not need to take their wallets when they leave their homes. Over 900 million WeChat Pay accounts are active, with restaurants, clothing stores, and street food vendors, and use QR codes to replace cash and bank cards. Handheld machines once used for swiping cards now come equipped with a barcode and QR code scanner.

Can a foreign credit card be linked to WeChat & Weixin?

Recent news is that now it's also possible to link foreign credit cards like Visa and Mastercard to WeChat and Weixin. Generally, you can pay with your Visa or Mastercard, and withdraw cash from an ATM in most countries where Visa/Mastercards are accepted, including China. And now Wise debit card can be added to WeChat wallet.
