

New scam investing in solar power

What is a solar energy scam?

The scams vary, but here's the gist: someone claiming to be with the government or your utility company promises big savings on your utility bills from solar energy or other home improvements designed to increase energy efficiency. If you agree to the scammer's offer, it could cost you tens of thousands of dollars.

Are free solar panels a scam?

Know that "free" or "no cost" solar panel offers are scams. The federal government does not install solar systems in homes for free. If you're considering whether solar energy is right for you, check out the Department of Energy's guide for homeowners and learn more. Or check out the Department of Treasury's guidance on clean energy.

What should I do if a solar business is a scam?

Protect your personal information. Don't respond to unexpected requests online or on social media for your name, address, or other personal information to "see if you qualify." At best, this is someone generating leads to sell, not actual solar businesses. At worst, they're scammers trying to steal your identity.

Are solar business leads a scam?

At best, this is someone generating leads to sell, not actual solar businesses. At worst, they're scammer trying to steal your identity. If you spot a scam, tell the Federal Trade Commission at [ReportFraud.ftc.gov](https://www.ftc.gov/ReportFraud).

What if my company offers solar energy?

If your company offers solar energy, remember that claims must not only be truthful, but also comply with established consumer protection laws, including the FTC Act and the FTC's new Impersonation Rule. Be truthful. Every clean energy company has a responsibility to be honest and upfront with consumers. Be transparent about what you're offering.

Can a solar energy audit help you save money?

The so-called official offers you an "energy audit" to reduce your utility costs. Or they might try to sign you up for a "free" program to make your home more energy efficient with solar energy. While they might say they're from your utility company or the government, they're not.
