

Solar Panel Power Rental Scam

Are solar panels a scam?

That is, of course, also a scam. To protect yourself from clean energy scams: Know that "free" or "no cost" solar panel offers are scams. The federal government does not install solar systems in homes for free. If you're considering whether solar energy is right for you, check out the Department of Energy's guide for homeowners and learn more.

Is a solar lease a scam?

Solar Lease or PPA Scams While leasing or using a Power Purchase Agreement (PPA) for solar panels isn't inherently a scam, these contracts can be challenging to break. Be cautious, as they may lock you into an unwanted monthly payment for a solar array you don't own.

How does a solar installation scam work?

How the scam works: People posing as solar installers or utility employees call or come to your home and offer free solar panels through made-up government programs or incentives. Sometimes they also claim their company will cover the cost of installation by providing huge rebates.

How do you identify a solar panel company to avoid scams?

These tactics may include persistent calls, scare tactics, door-to-door visits, or making unfounded claims about solar benefits. Companies employing such methods prioritize sales over delivering quality service. These are the red flags to identify solar panel companies to avoid scams. Are solar panel scams common in Florida and California?

Solar panel scams in Florida and California are quite common, as they are in any region where solar energy is popular and incentives are provided. Scammers take advantage of people's limited knowledge about solar systems, providing misleading information that makes it hard for victims to recognize the scam.

Should you choose a solar company to avoid scams?

A lengthy history of lawsuits is another red flag when considering a solar company to avoid scams. These legal issues could involve poor workmanship, unfulfilled promises, or fraudulent practices. Prior to choosing a solar provider, thorough research into any existing lawsuits or complaints is essential.
