

Solar photovoltaic panels for sale in large quantities

Where to buy wholesale solar panels?

If you are looking for a place to buy wholesale solar panels, you've found it. A1SolarStore offers PV modules from all over the world for competitive prices and with fast delivery. Let us tell you a little about the panels that we offer, how we deliver them and what kind of solar panel you might need.

What types of solar panels are available?

Our wholesale solar panels are available in 2kw, 4kw, 10kw, 25kw and 50kw grid tie solar panel bundles...making them perfect for one large, or several smaller grid tie solar system installations. For all wholesale pricing offers, please contact us updated pricing and freight quotations.

Why should you buy bulk solar panels by the pallet?

Unlock incredible savings with our bulk solar panels by the pallet. Whether you're a solar installer, a commercial developer, or an avid DIY enthusiast, our pallet deals offer unbeatable value and convenience. With a large quantity of high-quality solar panels at your disposal, you can tackle projects of any scale with ease.

Can I buy solar panels in bulk containers?

Buy solar panels in bulk containers for large PV projects. Save BIG! Contact us for a quote on container pricing. Solar panels convert sunshine into renewable electricity. They come in all shapes and sizes, from durable thin-film solar panels to rigid aluminium-framed crystalline solar panels.

Where can I buy small Solar panels?

Located near San Diego, California, EcoDirect sells solar panels online and offers will-call options for local customers. For sizing help, please call us at (760) 597-0498 x2. Small solar panels are perfect trickle charging automobiles, garden equipment, remote equipment, emergency power equipment and small electronics.

What size solar panels should I buy?

In systems of a larger scope 72/144-cell and 96-cell are used more often. Usually, space constraints are less of a problem with commercial systems, therefore there is no reason not to pick up larger panels with higher power output. 72/144 cell panels are approximately 39 x 77 inches in size. 400 watt wholesale solar panels are an interesting case.
