

Tongwei Solar Power Station

Who is Tongwei solar?

Tongwei Solar leads in advanced photovoltaic tech, offering eco-friendly, high-efficiency solar solutions globally.

What makes Tongwei unique?

Tongwei closely aligns with China's green development strategy deployment, organically integrates PV power generation with modern fisheries, and pioneered the "Fishery & PV Integration" development model where power generates on the top and fish swim on the bottom.

Who is Tongwei module?

With the solid and robust upstream reserves within the industry chain, Tongwei entered the module business in 2013. The product is produced by the "Industry 4.0" system of smart manufacturing. Tongwei creates high-efficiency shingled and half-cell products to achieve all-round coverage.

What is Tongwei intelligent aquaculture solution?

Tongwei Intelligent Aquaculture Solution (Scientific Planning, Intelligent Control) Tongwei New Energy Engineering Design Sichuan Co., Ltd. insists on taking market demand as the guide, taking technological innovation as the power source for enterprise development, focusing on R&D in the field of PV terminal technology and power station design.

What is Tongwei's 'fishery & PV integration' blueprint?

Tongwei innovative lay out the "Fishery & PV Integration" blueprint at the downstream of the industry chain. At the comprehensive application end of the new energy industry, Tongwei follows China's green development strategy deployment.

What makes Tongwei a high-purity crystalline silicon 'intelligent manufacturing in China'?

With a purity of 99.999999999%, the products represent the excellence of high-purity crystalline silicon "intelligent manufacturing in China". With the solid and robust upstream reserves within the industry chain, Tongwei entered the module business in 2013. The product is produced by the "Industry 4.0" system of smart manufacturing.

4 °183; For example, if a solar power plant has a capacity of 1 MW, with each panel having a generation capacity of 400 watts, ... Domestic After-sales: [twcustomerservice@tongwei](mailto:twcustomerservice@tongwei.com)

Tongwei Qiemu Xinjiang Uyghur Solar PV Park is a 20MW solar PV power project. It is located in Xinjiang Uyghur Autonomous Region, China. According to GlobalData, who tracks and profiles ...
