

WeChat is bound to another power grid account

How do I switch to a WeChat user?

In order to switch to become a WeChat user, you will need to link your account to a non-Chinese Mainland mobile number. You can do so by going to "Me" > "Settings" > "Account Security" > "Phone" > "Change Mobile Number" and binding a non-Chinese Mainland mobile number.

Can a WeChat personal account be registered to a mobile phone number?

But, until recently, only one WeChat personal account could be registered to a mobile phone number, meaning users who wished to separate work from their personal use of the app had to purchase another SIM card and sign up for another account with that number.

How do I switch from Weixin to WeChat?

How can I switch from Weixin to WeChat? If you signed up for an account with or your account is currently linked to a mobile number that uses the international dialling code +86 ("Chinese Mainland mobile number"), or if you used a QQ number to sign up for your account, you are a Weixin user.

Does WeChat work with a non-China phone number?

Normally a WeChat account is registered by a non-China mobile phone number. Web protocol is only confirmed to work with Weixin account, which is normally registered by a China mobile phone number. On Nov 10, 2021, 4:11 AM -0800, Huan () ***@***.*** >, wrote: Are you using a WeChat account, instead of a Weixin account?

How many WeChat accounts can a group of users have?

As part of the 11 October WeChat updates, the app is currently running a trial among a group of users allowing two accounts per mobile number, ending the limitation of one account per number. We expect this trial to be rolled out to the larger WeChat user base, but in the meantime, the test is only available to selected groups of users.

What happens if I log in to a new WeChat device?

For your account safety, if your WeChat account logs in to a new device, WeChat will detect that and you will be requested to confirm your identity. So if you log in to the different device too frequently, WeChat might think it's an abnormal activity or your account has been hacked or you lost your phone and someone tries to log in to your account. 4.

Key Takeaways: Signing up for WeChat is different from other apps because it involves an extensive verification process. In most cases, you'll need to ask a WeChat user to verify your account.
