

What can be transformed from abandoned lockers

What to do with old lockers?

We got two banks of lockers- the other we kept as is but this bank had damage to the door mechanisms and latches so I decided to do a full refurbish. The first step was to remove the old hardware. These solutions are applicable to many projects. 1. Bad welds that have to be removed.

What changes should I make to my vintage lockers?

With my new (new to me) vintage lockers, there were only two things that I wanted to change. The first thing was to restore the butcher block top. It had been previously sealed with a varnish, which had a glossy finish and had to be removed first.

Can old school lockers be added?

Old school lockers can be added with minimal effort due to their typical wood base. The only requirement is to flip the lockers over. The furniture wheels I chose are rated for 600 lbs. total capacity and have locking mechanisms, ensuring easy rolling and secure placement when not in use.

Why do architects repurpose abandoned buildings?

By repurposing abandoned buildings, architects contribute to the conservation of cultural heritage, maintaining a tangible link to the past within the fabric of modern urban environments. In an era dominated by environmental concerns, adaptive reuse offers a sustainable alternative to new construction.

Can abandoned commercial buildings be repurposed?

Abandoned commercial buildings, such as malls or office complexes, offer vast opportunities for adaptive reuse. Transforming these structures into mixed-use developments, incorporating retail, office space, and recreational areas, contributes to the revitalization of urban landscapes.

What is a good project to renovate a disused factory?

Residential Building Refurbishment; Venice, Italy / Studio Macola Drawing from the existing urban fabric of Venice's island of Murano, this project revitalizes a former industrial site to create two new residential complexes inside a disused factory. 6. Quarry Theater at St Luke's; Bedford, United Kingdom / Foster Wilson Architects
