

Solar panel wholesale price

Where to buy wholesale solar panels?

If you are looking for a place to buy wholesale solar panels, you've found it. A1SolarStore offers PV modules from all over the world for competitive prices and with fast delivery. Let us tell you a little about the panels that we offer, how we deliver them and what kind of solar panel you might need.

Why should you buy solar panels wholesale?

Solar panels can be very different in terms of cost, and several factors impact the final price, such as wattage, brand, type of panel, warranties, etc. Whatever brand you pick, its solar panel wholesale price is lower than retail, so you end up saving a lot.

What are the cheapest solar panels?

Notice that at A1SolarSolar when it comes to the wholesale price of a solar panel, we show the cost per watt rather than per pallet or per panel. Generally, solar market prices can be described like this: Asian panels, especially Chinese ones, are the cheapest ones. The most popular brands here are JA, LONGI, Trina Solar, ZNShine and many others.

What types of solar panels are available?

Our wholesale solar panels are available in 2kw, 4kw, 10kw, 25kw and 50kw grid tie solar panel bundles...making them perfect for one large, or several smaller grid tie solar system installations. For all wholesale pricing offers, please contact us updated pricing and freight quotations.

How much do solar panels cost per panel?

Our price for 33 REC Solar REC400AA Pure Black > 400 Watt Mono Solar Panels is \$10,400.00, which equals approximately \$318.18 per panel.

Why should I buy solar panels by pallet?

Solar Panels by Pallet Save money when you buy your Solar Panels by the pallet. We understand that full pallets can be too much for some customers so we have put together special "half pallet" pricing also. Contact us if you need help designing your system - we provide free technical support with every order!
